Instruction meets all guidelines recommended by the International Academy of Collaborative Practice (IACP), including:

- * The Collaborative process as a structure to create working relationships to reach agreements and resolve disputes
- * Organizational considerations in running a Collaborative case
- * Recognition of the emotional, financial, and legal elements of the clients' conflict in all cases and how each element might impact the process
- * The responsibility of each professional to maintain a safe and productive environment for the clients
- * Key communication competencies for Collaborative professionals
- * The benefits, structure and role of Collaborative practice groups

COACDP Trainers:

Attorneys: Linda Miller & Elaine Buck
